

ICA Youth Committee & Network

About the ICA Youth Committee

Vision

Unite, promote, and represent youth in cooperatives at the global level.

Mission

Complement and contribute to the work and initiatives of the ICA in line with the ICA Global Strategy.

Build a cooperative movement in which youth participate on fully equal terms.

Role & Aims

Promote youth and provide advice.

Nurture education, training and information.

Encourage and support youth to play an important role.

Rejuvenate cooperatives with the aim of protecting and promoting the social, cultural, environmental, and economic aspirations of present and future generations.

About the ICA Youth Committee

Activities

Enact measures
to achieve **youth inclusion**
within the cooperative movement:

Communicating
with the wider
Youth Network.

Advising
the ICA and
its network
on matters
concerning youth

Promoting
cooperative
entrepreneurship
to empower youth
in ICA bodies

Facilitating
the participation
of youth
cooperators.

Encouraging
cooperatives to
adopt and
implement youth
inclusion strategies

Structure

During the last four years a **lot has been accomplished** in the Youth Network:

- Amazing projects
- Strengthened structure

One of the structural changes was the **creation of the ICA Youth Committee** as a formal Thematic Committee of the ICA.

The ICA Youth Network will continue for all youth cooperators to **support and coordinate the activities and communications** of the ICA Youth Committee.

ICA Youth Committee Work Plan 2022 – 2026

Youth Visibility, Belonging and Representation

Strengthen the position of youth in the cooperative movement.

Increase the presence and the involvement of the youth in the network and the structures of the ICA. Foster a sense of belonging.

The Youth Committee and Network is a reference for cooperative youth and cooperative networks.

Work plan

Participation & Empowerment

Identify youth cooperators in existing cooperatives and involve them in the activities of the Network.

Strengthen regional and national youth networks.

Encourage youth to join the networks at the global, regional and national levels.

Ensure youth representation, participation and widen diversity.

Work plan

Education & Training

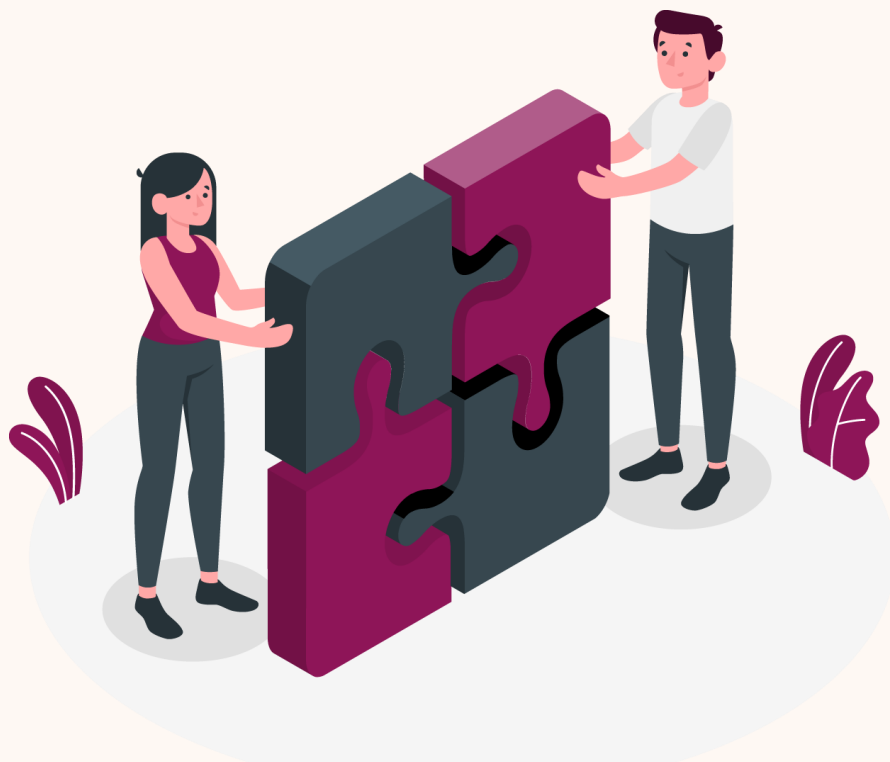

Organise a physical global youth gathering providing #coopyouth empowerment and training (GYF).

Produce a youth cooperative leadership and training program to empower and train young leaders worldwide and support their engagement in cooperative organizations and structures.

In 2023:
International Cooperative Leadership Exchange Program – study visits.

Work plan

Cooperative Entrepreneurship

Generate more activity and projects related to youth leadership and empowerment within the movement.

Continue the Replication Project program that enables new youth-lead cooperatives to succeed develop.

Create an online training program in line with the already existing Toolkit and the Coops4Dev Young People and Cooperatives, a Perfect Match?
Report to share the knowledge in cooperatives and youth.

In 2023:
Cooperative Spring Training of Trainers –
train youth to develop youth coops.

Work plan

IT & Tech

Organise an “expert group” that can (co)lead dialogues and participate in spaces generated by the ICA in the digitization and digital development topic.

Develop a vision and a shared understanding of what cooperative technology means to the youth network and what are the spaces, enforcement, values and influences it enforces in the cooperative movement and identity.

Upcoming Events

**Annual plenary meeting
in November 2023...**

An illustration of two stylized people, a woman on the left and a man on the right, both with dark hair and wearing purple long-sleeved shirts. They are holding a large white rectangular sign. The background is a solid purple color with a large orange semi-circle behind the sign. White leaf-like patterns are visible behind the people. The text on the sign is in a bold, purple, sans-serif font.
